

Corporate Policy

Company: TechNova Solutions Pvt. Ltd.

Policy Owner: Senior Management

Effective Date: 25 August 2026

Version: 1.0

1. Purpose

This Corporate Policy establishes the overall principles and standards that guide TechNova Solutions Pvt. Ltd. in conducting its business.

The policy promotes ethical behavior, professionalism, accountability, customer trust, information protection, and responsible business practices.

2. Company Mission

TechNova Solutions Pvt. Ltd. aims to provide reliable technology solutions and services while maintaining high standards of quality, security, innovation, and customer service.

3. Scope

This policy applies to:

- Employees
- Managers
- Directors
- Interns
- Contractors
- Consultants
- Vendors
- Other representatives acting on behalf of the company

4. Professional Conduct

Everyone representing TechNova Solutions Pvt. Ltd. is expected to:

- Act professionally.
- Treat others with respect.
- Be honest and transparent.
- Protect company interests.
- Follow applicable laws.
- Maintain confidentiality.

- Avoid unethical behavior.

5. Equal Opportunity

The company is committed to providing fair employment opportunities.

Employment-related decisions should be based on legitimate business factors such as:

- Skills
- Qualifications
- Experience
- Performance
- Business requirements

The company does not tolerate unlawful discrimination or harassment.

6. Ethical Business Practices

Employees and representatives must conduct business honestly.

The company prohibits:

- Fraud
- Bribery
- Corruption
- Falsification of records
- Misuse of company resources
- Unauthorized financial transactions
- Deliberate misrepresentation

7. Conflict of Interest

Employees must avoid situations where personal interests conflict with company responsibilities.

Potential conflicts should be disclosed to management or HR.

Employees must not use their position at the company for improper personal benefit.

8. Customer Relations

Customers must be treated professionally and respectfully.

Employees should:

- Provide accurate information.
- Protect customer information.
- Communicate clearly.
- Meet agreed responsibilities.
- Escalate customer issues appropriately.
- Avoid making unauthorized commitments.

Customer complaints should be handled promptly and professionally.

9. Confidential Information

Confidential company and customer information must be protected.

Confidential information may include:

- Customer data
- Business strategies
- Financial information
- Contracts
- Software
- Source code
- Product roadmaps
- Internal communications
- Employee information

Information must only be shared with authorized individuals who have a legitimate business need.

10. Intellectual Property

Company intellectual property must be protected.

This may include:

- Software
- Source code
- Designs
- Documentation
- Logos
- Product concepts
- Business processes
- Databases
- Research

Employees must not use or disclose company intellectual property without authorization.

11. Financial Responsibility

Company financial resources must be used responsibly.

Employees involved in financial activities must:

- Maintain accurate records.
- Follow approval procedures.
- Keep receipts and supporting documents.
- Avoid unauthorized expenses.
- Report suspected financial irregularities.

12. Procurement and Vendors

Vendor selection should be based on legitimate business considerations such as:

- Quality
- Cost
- Reliability
- Security
- Service capability
- Compliance

Employees must not accept inappropriate personal benefits from vendors in exchange for business decisions.

13. Communication and Public Statements

Only authorized employees may make official public statements on behalf of the company.

Employees should not disclose confidential company information through:

- Social media
- Public forums
- Interviews
- Blogs
- Conferences
- Personal websites

unless authorized to do so.

14. Workplace Safety

TechNova Solutions Pvt. Ltd. is committed to maintaining a safe and professional working environment.

Employees must:

- Follow workplace safety procedures.
- Report hazards.
- Follow emergency procedures.
- Use workplace equipment responsibly.

15. Environmental Responsibility

The company encourages responsible use of resources.

Employees should:

- Reduce unnecessary printing.
- Minimize electronic waste.
- Use energy responsibly.
- Follow appropriate recycling and disposal procedures.

16. Records and Documentation

Business records must be accurate and maintained appropriately.

Employees must not intentionally:

- Falsify records.
- Delete required records without authorization.
- Alter business information improperly.
- Hide important business information.

17. Information Security

All employees must follow the company's IT and information-security requirements.

This includes protecting:

- Passwords
- Devices
- Customer information
- Company systems
- Source code
- Business documents

Security incidents must be reported through the approved reporting process.

18. Use of Company Resources

Company resources should be used for legitimate business purposes.

Resources include:

- Money
- Equipment
- Software
- Time
- Intellectual property
- Company accounts
- Data

Employees must not intentionally misuse company resources for personal gain.

19. Management Responsibilities

Managers are responsible for:

- Communicating company policies.
- Supporting employees.
- Monitoring compliance.
- Addressing workplace concerns.
- Protecting confidential information.
- Escalating serious violations.
- Encouraging ethical behavior.

20. Employee Responsibilities

Every employee is responsible for:

- Understanding applicable policies.
- Following company procedures.
- Protecting company information.
- Reporting suspected violations.
- Maintaining professional behavior.
- Completing required training.

21. Reporting Violations

Employees who become aware of serious violations should report them through appropriate channels such as:

- Reporting Manager
- HR Department
- IT/Security Department
- Senior Management

Reports should be made honestly and in good faith.

22. Non-Retaliation

The company does not tolerate retaliation against employees who raise legitimate concerns or report suspected misconduct in good faith.

23. Disciplinary Measures

Violations of company policies may result in corrective or disciplinary action.

Depending on the circumstances, action may include:

- Counseling
- Warning
- Corrective action
- Suspension
- Termination
- Legal action

24. Policy Exceptions

Exceptions to company policies require appropriate management approval.

Employees should not assume that an exception exists simply because a policy requirement is inconvenient.

25. Policy Review

Senior Management shall periodically review this Corporate Policy and update it when necessary.

All employees are expected to comply with the latest approved version.

Approved By: Management, TechNova Solutions Pvt. Ltd.
